

# March 2023 Update

We have been in Holland for nearly 3 weeks now! We are starting to feel settled in and have begun searching for a permanent house to rent, started language studies and started to build connections in the community. The kids are adjusting well and enjoy exploring and experiencing all the new things here. We are going on a tour of a local elementary school in Alkmaar on Tuesday to see if it is a good place for the kids to start attending. Thank you all for your continued prayer and support!

## Prayer Requests

- Housing; It has been very difficult to even get an application in for a house, please pray that God will open the door and that He will place us where he needs us to be
- Guidance as our ministry unfolds here.
- Our pending visa application will be approved in a timely manner.

Blessings,

The Klumpenhowers
