

Hi!

Here is our April update letter, it is anything but brief but please do read it! Also, below is the link to our giving page (it will be updated soon as well) If you feel led to give to our ministry please click on the link. Financial gifts are so important as that's what enables us to follow God's calling in the Netherlands.

Please be in prayer for more financial partners to join us, we are still under funded, but we are fully functional and trusting God to bring along more partners. We are so blessed by all that have already joined us in this ministry!

I have added another link, And we are excited about this! It is a virtual calendar that will enable anyone who wishes to schedule a coffee time with us. We would love to use this time to really connect with you our supporter, to hear about what is going on in your life as well as give opportunity to find out more about our life and ministry here that isn't in our letters. It will walk you through selecting a time and means of meeting via zoom, FaceTime or WhatsApp and notify us that you would like to join us for virtual coffee. Please use it as we would love to hear from you!
