

Meadow Lake Evangelical Free Church

Vision Summary

As a worshipping community, the Meadow Lake Evangelical Free Church has been called to love God and love people.

(Our Why) We believe that Jesus Christ has called us to be a Church family where people belong and will find hope, healing and life in his name through growing relationship with God and other people, leading to life transformation."

(Simple strategy) **"Sharing hope – inviting faith – transforming lives"**

(Our How) This is what that looks like because of what we value together:

- ✚ **Welcome** – knowing that you are among friends.
- ✚ **Relationship** – meeting Jesus and other people who need to know him.
- ✚ **Prayer** – developing communion with God together.
- ✚ **Love** – choosing to make ourselves available to others.
- ✚ **Teaching** – learning to live by the written and living Word of God.
- ✚ **Serving** – embracing the opportunity to be salt and light locally and globally.
- ✚ **Compassion** – a safe place where people will find hope.
- ✚ **Commitment** – where people step up because they understand why.
- ✚ **Leadership** – learning from leaders who help us follow Jesus.

(Our character) **What you can expect when you come to worship at MLEFC**

- ✚ *You will be welcomed*
- ✚ *You will be challenged with a solid biblical message*
- ✚ *A place for your kids to belong*

(Our Dream) **We want to be known as a safe place where** the hurting, the lonely, the seeking and lost souls of this community will find salvation and life in Jesus Christ.

We believe that this is the shape of our lives together as we pursue what God has called us to accomplish for the sake of Jesus and his kingdom here in Meadow Lake SK.
