

SPRING UPDATE 2022

Dear Supporters!

Happy spring! Its nice to finally see the snow gone and trees starting to turn green! It's been a looong winter for us here in Saskatchewan. A quick family update; Everyone is healthy and enjoying the start to summer weather. We celebrated Ava's first birthday last week. Crazy how fast time goes by, it feels like we just took her home from the hospital. She is such a sweet blessing to our family. Finnley and Alea have finished their homeschooling for the spring and are busy with baseball and lots and lots of outdoor playing. We are so thankful for God's continued blessing and protection of our family.

We are starting to look forward and make preparation for our transition into ministry in the Netherlands. I have started taking a scheduled day off every two weeks to focus solely on our fundraising and preparation. As we get closer to leaving I will continue to slowly phase out of work. We are so thankful for my work situation to be flexible enough to be able to do this. It is the beginning of closing this chapter of our life and moving onto the next, a little sad, a little scary, but we are so excited for what God has next for us!

Update from the Netherlands! Our contacts in Alkmaar are working with us to develop a strategy for where we will live and start our ministry in the Netherlands. Please pray with us as we explore this. It is very important we place ourselves in the most strategic location to begin reaching into the community. Right now, we are looking at moving to the town of Dirkshorn, just north of Alkmaar. With a population of around 1500 people it's not a large town and is in desperate need of missionaries. There is an active christian community in a nearby town so we would have a much need support system to begin our ministry. Our main focus will be to get to know people in the community and to begin to plant the seeds of the gospel wherever we can. We are also excited to partner with local believers and assist in and start new outreaches in the community. We trust God will lead us and show us opportunity to further our ministry once we are there.

In summery, Thank you so much to those who have given to our ministry thus far! We are working hard on our fundraising this spring and summer and hope to be moving closer to a departure in late fall! We are so excited that God has called us to the Netherlands and so blessed by His provision of such an amazing support system for us through all your prayers and financial support!

Prayer Requests

- Housing in Dirkshorn
- Continued support raising, we still have 45% left to fundraise
- Wisdom for us as we prepare ourselves and our children for a major transition.
- God would provide good renters for our house here in Shellbrook.
- As we look foreword to the future, to continue to be effective and faithful to the ministry opportunities we have here.

Again, thank you all so much for your prayers and financial support! And if you haven't given and would like more information please don't hesitate to reach out to us!

With Love,
Jason and Monica, Finnley, Alea and Avalee Klumpenhower
